

UNDERSTANDING THE IMPORTANCE OF INFLUENCE

January 19, 2022

**Fellowship Bible Baptist Church

Scripture Focus: Matthew 5:14-16

PRINCIPLE #1

We are not lights; more so we are light reflectors. Thus we are resources by which knowledge & understanding of God is reflected. We bring reflection and illumination in the hearts & minds of people concerning Christ through our worship, walk, and witness. **Simply put: people ought to get to know and see God through us.**

PRINCIPLE #2

Christian believers ought to be easy to find; they ought to stand out for the purpose of affecting their surroundings for the glory of God.

PRINCIPLE #3

This text presupposes that even unbelievers (*the world*) associate good works with God. Since that's the case, then they (*unbelievers that is*) may glorify God; because our good works can influence even unbelievers to acknowledge the reality and power of God.
